FEEDBACK = This is a great site..Just stumbled upon it and I can't stop reading everything!!

I agree that we do need a champion of freedom whose voice will stand out. Allen West has captured my attention...his military leadership alone is enough to make him tops. Marco Rubio is someone who has had an effect in my geographic area, but I think he has a way to go before he actually has sufficient experince. We who dealt with him locally know that he has mastered the art of knowing what to say, but he is for sure passionate about what he believes, and is not afraid to say it.

This site and this feedback has been a breath of fresh air for me...thanks to those who submitted links to some great stuff. I plan to go back to thejeffersonians.com and the "redeclaration"...what great ideas! Please check out my contribution at onetermpresidentoboma.org and let me know what you think might help me out. You guys are great.We all need to do all we can to save our country from this scourge. I am sorry it took me so long to get "common sense";

Believe in America!

FEEDBACK = AT PRESENT, I DON'T SEE ANYONE ON THE POLITICAL SCENE/HORIZON WHO HAS THE STRENGTH,FORTITUDE, INTEGRITY AND LOVE FOR THIS COUNTRY, TO SACRIFICE THEIR POLITICAL CAREER IN ORDER TO SAVE THIS GREAT LAND. A SAD COMMENTARY, I MUST SAY, BUT I HAVE BEEN AROUND TOO LONG, HAVE PUT MY FAITH INTO AN ENDLESS NUMBER OF POLICITICANS WHO HAVE FALLEN PREY TO THEIR OWN IMPORTANCE.... A

"CHARISMATIC" SPEAKER OH YES, WE HAVE ONE NOW! AN ANTI-PATRIOT IN THE

WHITE HOUSE. TAKE HEED OF WHAT IS HAPPENING EACH & EVERY DAY, FOR THE PAST 60+ YEARS; OUR YOUTH HAVE BEEN WHIPPED INTO A FROTH OF :GIVE ME MINE, I AM ENTITLED"... AND THE WORD "PROGRESSIVES" IS A WORTHLESS, MIS-DIRECTED WORD, WITHOUT TRUE MEANING, OTHER THAN TO RADICALIZE THE DEMON OF THE LEFT & FAR LEFT. WHERE ARE THE PATRIOTS OF THE LEFT? WHERE ARE THE CITIZENS OF THE LEFT? PEOPLE MAY CRITICIZE FOLLOWERS OF ANOTHER RELIGION FOR NOT SPEAKING OUT AGAINST THE MINORITY THAT TERROIZE NATIONS. PERHAPS THEY HAVE A REASON. DEATH! IS THAT WHAT OCCUR HERE? DEATH FOR SPEAKING OUT! FOR SAVING A GRAND NATION.

AS A BELIEVER IN NOT EXTENDING MY LIFE BY ARTIFICIAL MEANS OR LIFE SUPPORT SYSTEMS, WHY WOULD I ALLOW MYSELF TO LIVE UNDER AN OPPRESSED SOCIETY AND A "SHADOW" GOVERNMENT. WE DO NEED SOMEONE TO SHINE THE BRIGHTEST LIGHT ON THEM, EXPOSE THEM FOR WHO THEY ARE, CAST AWAY THE DARKNESS AND AS PERHAPS SAVE ALL..PERHAPS...

THANK YOU,
PNC

FEEDBACK = Only we can save the Republic. As a Man, or a Woman, we can only act as one person, or one vote.

As a group, we can move mountains. If we have the desire. And the faith of a mustard seed. That is all we need, is to recognize that WE THE PEOPLE is all we need. But the desire must come from within. I for one will give all. My Money, My Time, My effort, My Life.

But I will not give it to a full, or a tyrant.

Why do I have the urge to type the 23rd Plasm? You know the one: "The Lord is my shepherd; I shall not want."

Maybe the Lord is trying to tell me or us something. Maybe He should be our leader. Not any Man or Woman. Maybe our faith and hope should start with Him.

FEEDBACK = why aren't there calls for an audit? what caused this meltdown? didn't anyone see that making banks give loans to people that couldn't afford them was stupid?the fair housing act screwed us. fear peddlers convinced many that we were facing another great depression, even with unemployment less than half what it was back then. are we that gullable? so, congress created the problem, attempted to solve it by giving tax dollars to insolvent banks in and outside the us, and the resulting t.e.a. party is demonized. anyone still in favor of hiring lawyers to represent us in government?

FEEDBACK = Herman Cain and Mario Rubio are fine choices. I like to read material written by Allan West and Mitch Daniels. Would you consider adding the names of these two worthies to the Cain-Rubio list?

Answer: The names you suggested have been added. The original list was just a suggestion. Other suggestions were expected.

FEEDBACK = The articles are very well written, but I fear that the time for peaceful civil disobedience might be over. The fact that even one person can support obama, pelosi, and reids agenda proves that the dumbing down of America is mostly complete. Since the sixties our children have been(taught) by socialist teachers, proffesors, etc, and therefore have no idea what America was, or should continue to be. Our children/grandchildren do not know the rights and freedoms that they are throwing away. It is up to us(the baby boomers) to fix this.

FEEDBACK = you said a mouthful! love your answer on glen beck! obama should be the leader and go with them.

these are evil days and if you heard what I heard from a Van Jones video-you would be very sure. He was a consultant to obama but was caught being a communist (obama had to have known!) In this video Glen has-he says "we" will destroy America and take down the military if we have to! Isn't this crazy that we are letting lunatics run us???

I can only pray-obama is setting there letting everything get out of hand so he can call "martial law" then comes the end--You know about the Fema camps already built don't you? see info wars.com.. it is disaster coming if God and Christians dont stop it!

What stupid people we have that still uphold MR. O a dangerous man.

good words you spoke!

I'm trying to build awareness for Herman Cain and help develop support for him as a viable Republican candidate. The media is offering him little to know notice, the best publicity he's recieved was the smear by that Alternet hack. I'd like to connect with you through FreedomConnector and discuss how to accomplish greater awareness for someone who is the only perosn I see defeating BHO in the next election. My ID on freedomconnector is chuckn8481 or look for the Tennesseans for Herman Cain group. I'm just an average family man who has admittedly been a political junky but never done anything with my "little hobby." Now is the time for that to change. I would appreciate any guidance you may have. Thank you Charles Nicholson

Answer: Sorry. Charles, I have no good advice to offer & spend most of my time promoting my book. Good luck with your project. Mr. Cain is a fine man and maybe the one to save the Republic.

FEEDBACK = So many issues and so little time... We have been sold out for decades and are now starting to realize the effects of the social agenda. I really don't trust any political figures in our system since they haven't shown any real purpose of the people. If I had to choose today it would be Gov. Christie, he has shown the courage to not only speak his mind but also to put his plan into action (reducing the deficit).

J. Lyons, Stratham, NH. 1/2/2011

Allen West is a definite, articulate, strong leader.

Denise, Patton, MO. 1/2/2011

At this early juncture, Herman Cain has my support. His common sense ideas to get our country back on track are right on the mark. From what I have learned of him from his radio program and from the various web sites, his reputation is beyond reproach and his remedy for repairing the mess Obama has created is second to none. He may or may not be effective in correcting the racial problems we have, but not from lack of trying. IMO, he stands head and shoulders above almost any conservative we the people are currently considering. I get the impression he is NOT a "politician" per se, but he is an effective communicator and will get the job done. He is very close to the G. Washington ideal we seem to be looking for.

I have also been watching Marco Rubio and believe he has great potential, but I think we need to evaluate him further. Perhaps a 2016 bid? Like Cain, I think Rubio is made in the mold of George Washington..... you could never doubt his patriotism and his will to do what's needed to preserve our country. Without a doubt, Rubio would be "a champion of freedom."

Feedback: Some comments on the article you posted on your website today. Looking for someone like George Washington in the political arena is useless. George Washington was not a politician, and never wanted to be. He was simply a man that(rightly so) believed that what he

was doing was right and just. A virtual unknown (yes, I know, a land owner of some stature), but to most Americans of the time little was known about him until after the revolution had begun. George Washington found US, not the other way around. A man with the same values, and beliefs will stand out on his own. He will not be found running for any public office, he will be the one that just stands up for himself, and all Americans, and says WE will not have this anymore! He will be a shopkeeper, farmer, maybe a mechanic, but he will not be someone who has ever run for any office. The idea of political life would be alien to him as he has no desire for power, or status. He will be a person who has lived his life quietly, out of the lime light, that will only want to return to that life when the oppression has ended, and the republic is safe. People have to stop looking to ANY politician to restore the republic, and stop the loss of liberty. A man from outside the political arena must get mad enough to stand up, and right the wrongs that the politicians (past and present) have done.
